October 2018

Dear Parents/Carers,

Pre-school Annual General Meeting (AGM)

As you are all aware, the Pre-school is currently running with a full Committee in place, however once a year an AGM is held where Committee members may stand down from their responsibilities or be re-elected and remain on the Committee. This is also an opportunity for any new parents to join the Committee.

This meeting will take place on the morning of **Wednesday 17th October, at 8:50 AM.** Anyone who wishes to join the Committee should attend to put their name forward and be successfully elected onto the Committee. The Chairperson and other current Committee members will be available to offer advice and relevant paperwork. If you would like to join the Committee but cannot attend, please inform Sally who will make a note of your name and pass your details on to the Committee who will get in contact with you.

Joining the Committee is a great way to get involved in fundraising activities, be part of and advise of any changes in policies/practice and a great way to meet new people!

We hope to see you there.

Thank you

Gemma Bradshaw, Chairperson & Pre-School Committee
